ALL ABOUT ALL LUV IT

Cordell and his wife Mi'asha decided to open what they felt their community needed which was a barbershop but not just any barbershop one that would be considered a hub of the community. They wanted the atmosphere and the vibe to be like no other.

Cordell has been a barber for over 20 years servicing clients across the DMV area. Throughout the years he has mentored others interested in the barber profession.

The name of the barbershop came from the hopes that ALL will love their cuts, their barbers and most of all the environment. As they start on this new journey, they hope the community welcomes them with open arms.

ALL LUV IT PRESENTS BLACK BUSINESS LUV

To give back to the community ALL LUV IT wanted to do something different by highlighting black owned small businesses each month. These businesses will have an opportunity to set-up at the shop and sell their products/services on a certain day. Last month the feature was Sir Charles Catering which was a great success. For the month of March, the Black Business Luv feature will be Uniquely You Designs. Marcus and Shawnta Moody have products for men and women that include body butters, inspirational t-shirts/jewelry and so much more!

In this same initiative ALL LUV IT has created a scholarship fund called the Black Luv Fund for high school seniors and college graduates.

This scholarship fund will target young adults that look to seek higher education regardless of 2-year/4-year college or Tech/Trade school. As for college graduates, they will need a boost as well coming out especially if they are going to pursue higher education or to pay off student loans.

All Black Business Luv features will have the opportunity to join the Black Luv Fund committee to review applicants and award the recipient(s).

If you know of a small black business that you would like for us to partner with please email minvestlife@gmail.com please include in subject line Black Business Luv participate, the name of business and good contact information. You can also call 301-755-0036 for details.

ALL LUV IT believes in sowing good seeds by building healthy and successful long-lasting relationships filled with love and respect.
